WELCOME

Dear Graduates,

Welcome to your Graduation Ceremony!

This evening, we recognise and celebrate the significant achievements you have made. Tonight is more than a ceremony - graduation is a reflection of your resilience, growth, and possibility. Graduation is not just the closing of a chapter, but the bold beginning of a new story that only you can write.

You have worked hard, overcome challenges, pushed through doubt, and proven to yourself that you are capable of more than you once imagined. Every late night, every obstacle, every small victory along the way has led to this moment. And you earned it. Together with your family, friends and fellow learners, we celebrate your success.

As you step forward, remember to dream boldly. Take risks. Embrace failure as a teacher, not an enemy. Stay curious. Stay humble. And most importantly, believe in yourself - even when the path ahead seems uncertain.

Congratulations on your graduation. This is your moment. Be proud of how far you've come, and be excited for how far you will go. We are proud to welcome you as TasTAFE alumni and look forward to being your partner for success in the future.

Dr Norman Baker
TasTAFE CEO
