

Mary Walker Scholarship for Horticulture, Plant Science or related studies

If you or someone you know is planning to undertake study in a horticulture related field, you may be eligible for this scholarship.

It is open to residents or associates and those with links to the South Channel region.

On offer is up to \$3000 per year for 3 years (full time study), plus industry mentoring

The scholarship targets year 12 school-leavers and existing or potential TAFE and UTAS students in horticulture, plant science or a related field. It may also embrace those who are already in the work force and considering a career change.

This is the second year of the program and 2 scholarships are on offer.

The scholarship program is a natural extension of the activities of both the South Channel Garden Club and Five Bob Farm.

Application form attached below.
