TAESS00028 Work Skill Instructor Skill Set

About the qualification

TAESS00028 is a skill set from the TAE Training and Education Training Package. This skill set is a great introduction to vocational training and offers a 'taster' of the full qualification, for those thinking they may like to enter this profession.

The skill set focusses on two units that are practical in essence and provide an insight into the full qualification. These units can be used as electives in the full qualification. If you wish to complete the full TAE40122, you will need to enrol separately for this.

Is this qualification for me?

This qualification is suitable if you have vocational qualifications and current experience using that qualification and are considering a career in the VET sector. The skill set will cover how to train colleagues in work skills and also how to plan and conduct a presentation.

What are the entry requirements for this program?

Prior to enrolling in this training program, you must be able to demonstrate vocational competency in your proposed teaching and assessing area and an adequate level of language, literacy and numeracy skills. Vocational competence is defined as broad industry knowledge and experience and may include holding a relevant unit of competency or qualification.

In your application you will need to:

- provide evidence of vocational competency in the area in which you intend to teach i.e. Certificate III in Commercial Cookery; Certificate IV in Engineering
- provide your resume showing your experience using this qualification
- undertake the TasTAFE LLN Assessment achieving an ACSF level 3 in English and level 2 in Maths.

How long should it take me?

The amount of training provided is only a portion of the overall learning requirement, and you are expected to complete additional learning/activities between workshop times to complete the program. Most learners would require 10 -12 hours per week for learning and assessment in addition to scheduled sessions.

This program should be completed within a four (4) to six (6) week period.

What are the units?

There are two (2) units required to complete this qualification.

TAEDEL311 Provide work skill instruction	This unit is about the skills and knowledge required to conduct individual and small group instruction, demonstrate work skills and assess the success of the training and one's own training performance, using existing learning resources in a safe and comfortable learning environment. It emphasises the training as being driven by the work process and context and applies to a person working under supervision as a work skill instructor in a wide range of settings not restricted to training organisations.
TAEPDD401 Work effectively in the VET Sector	This unit describes the skills and knowledge required to operate within the vocational education and training (VET) sector. It covers VET regulations, stakeholders and the general VET environment relevant to entry-level VET teachers, trainers and assessors.

How will I be assessed?

You will be provided with detailed assessment tasks once you have commenced the course. These tasks will be completed outside of scheduled learning times.

Work Skill Instructor Skill Set	• Deliver three work skill instructions to an individual or small group. • Questioning/ Professional Conversation • Scenario-based assessment
---------------------------------	---

How much will it cost?

Currently, the TAESS00028 Work Skill Instructor Skill Set is free of charge.

Am I eligible for recognition or credit transfers?

TasTAFE is committed to ensuring the opportunity to apply for recognition is made available to all students, and as far as possible, the process is streamlined, individualised, holistic and task based.

You are able to have your competency from prior learning and work experience within the VET sector recognised in this qualification through the following arrangements:

- Credit Transfer: If you have successfully completed previous training with TasTAFE or another RTO (Registered Training Organisation), relevant verified elective units may be eligible for credit transfer.
- Recognition: If you have skills and experience and are able to demonstrate competence and currency in the VET sector aligned to a unit or units of competency, you may be eligible for recognition.
 - Recognition assessment requires no less evidence than what is established for general course assessment. Recognition is conducted according to the principles of assessment and rules of evidence the same as course-based assessment.

Key methods of providing assessment evidence for recognition may include, but are not limited to:

- portfolio of workplace documentation related to unit requirements
- observation of performance in the workplace and/or simulated workplace environment
- questioning (professional competency conversation)

If you wish to gain further information about recognition, please contact us to arrange an initial discussion with our Recognition Consultant. Recognition requires enrolment and payment of fees the same as any other assessment pathway.

Fee payments

All fees must be paid for prior to entry into your chosen program.

You cannot access learning and assessment materials without this being completed.

A refund applies if you formally withdraw 72 hours prior to the commencement of the course. If you are enrolling in a course that has already commenced, no refund applies.

*2026 Course fees may be subject to change (Course fees include the cost of processing credit transfer results)
