---

## Build confident, effective HSRs

### *HSRs are a valuable bridge between employers and workers*

- HSRs help tap into workers knowledge, experience and insights
- Represent workers on WHS matters
- Help prevent physical and psychological harm

### Refresh your WorkSafe Tasmania HSR training outcomes

- Interpret the WHS legislative framework and its relationship to the HSR
- Identify key parties and their legislative obligations and duties
- Establish representation in the workplace
- Participate in consultation and issue resolution
- Represent members in the WHS risk management process undertaken by the PCBU
- Issue a Provisional Improvement Notice (PIN) and direct the cessation of work

### Review your HSR functions and powers

- Represent workers, monitor PCBU measures, investigate complaints, inquire into risks
- Inspect the workplace, accompany inspectors
- Request hazard reviews
- Direct work to cease and issuing PINs if required

### Topics

- 1 – HSR powers and functions
- 2 – WHS legal framework
- 3 – Duties and obligations
- 4 – WHS Risk management
- 5 – Representation, consultation and issue resolution
- 6 – Direct work to cease and issuing PINs if required

### HSR right to training

- HSRs can attend an annual HSR refresher course and choose the RTO

### *No assessments, but activities help towards Certificate IV in WHS*

---

**HSR Refresher Training:** Learn to use WHS laws, consult, resolve issues, improve controls and prevent harm with confidence for workers in your work group from professional teachers

---
